

LAKE LURE FLOWERING BRIDGE

VOLUNTEER SIGN-UP

There are many ways you can help. The Garden Committee asks for help in watering, weeding and caring for the gardens. The Infrastructure Committee might need help with repairs, moving items within the gardens as needed, transporting equipment or garden supplies. The Marketing Committee can use assistance with communicating our messages both locally and through the region. In addition, volunteers help with special events. You might even help sign up other volunteers! Please note any special skills that you have that you might wish to offer. Your ideas and creativity are appreciated.
