

WEST COTTAGE GARDEN

Welcome and celebrate with us being at home in the garden. Relax on our 'outside living room' benches, enjoy the unequalled view of our neighbor, Chimney Rock, and the merging of the Rocky Broad River into Lake Lure. Ever flowering landscape roses, various hydrangeas, clerodendrum and silver bell trees are our anchors in this garden.

****Denotes native to our region.***

1. Blaze Climbing Rose
2. Creeping Goldenrod, Solidago
3. Eastern Aromatic Aster, Aster oblongifolius
4. Coral bells, Heuchera
5. Columbine, Aquilegia *
