The Lake Lure Flowering Bridge (LLFB) and the Lake Lure Classical Academy (LLCA) are joining forces to present "Ring in Spring," a special event scheduled to begin at 11:00 AM on Saturday, April 27. The celebration will start at Morse Park then proceed to LLFB. LLCA students will make colored streamers that will hang along the Bridge as well as the light poles, the atrium and arbors in the West End gardens. The new information kiosk will be dedicated as part of the event. The Easter Blossoms in Bonnets project will be on display. All are welcome to enjoy the entertainment and light refreshments as we welcome spring!

### FAVORITE BOOKS COME TO THE LLFB GARDENS

In a new creative endeavor LLFB volunteers gathered recently to recreate favorite books by painting pavers with titles and illustrations. These "books" representing the "language of flowers" will be on display throughout the gardens this spring. [Book designs above and photo by Eleanor Bails]
